REFURBISHED EQUIPMENT

The "Smart" Alternative to Purchasing New Equipment!

- Our refurbished equipment comes with a standard 6 month warranty!
- On average refurbished equipment is one-half the price of purchasing new!
- We have staff dedicated to the sale of refurbished equipment!

That's right! Quality refurbished equipment is available at approximately one-half the cost of purchasing new. When you purchase your refurbished equipment from Nuell, Inc. you can be assured that each instrument has been completely inspected for performance!

With over 50 years of experience repairing instruments, you can be confident that using Nuell, Inc. for your refurbished equipment is a wise move.
